

The logo features a large, stylized black outline of a house roof. A black wrench is positioned horizontally, with its head resting on the roofline and its handle extending to the right. The text "Auto House" is written in a large, orange, serif font with a black outline, centered within the house shape. Below this, the words "AUTOMOTIVE DIAGNOSTICS & REPAIR" are written in a smaller, black, sans-serif font, separated from the main title by a thin black horizontal line. A thick black vertical bar is located on the right side of the logo, partially overlapping the house outline.
